April Trestle Board

April 1, 2015

Master's Message

Greetings from the Station of Wisdom,

Time flies when you are having fun. We have been so busy that it's easy to be surprised by the fact that we are already through the first quarter of 2015. Where does the [level of] time go? I hope the ladies and brethren are well on their way to accomplishing those New Year's Resolutions set forth less than 100 days ago (my 10,000 steps a day challenge was re-negotiated down to 5,000 already). I'll save you from my own excuses.

Brandon Cook, Master

For those of you out of the know, we post a picture at the end of every degree night on our Facebook group page as well as special events like blood drives around our masonic district and the Webcast held on Saturday, March 21st : Secrets Revealed! Freemasonry and the Conspiracy Theories It Evokes. I encourage everybody who receives our monthly trestle board to join www.facebook.com/groups/AnaheimLodgeNo207/ to stay informed of our activities.

The support we've received from the lodge has been outstanding. I've become pleased in getting to know our own Brother Nash (24 year member) who is quickly becoming a regular at degrees and I've heard is working on the charges, an example my Brothers worthy of imitation. I especially encourage those of you who are knee deep in your careers, nearing retirement, recently retired or even long-time retired to revisit the lodge and make a contribution. I promise that you will be pleasantly received!

Brandon Cook
Master

Get to know our Fellow Craft Saady Qazi.

WM What originally interested you in Masonry?

SQ I was interested in joining Masonry because my Father, Uncles, and my older brother are in masonry. I always look up to them with respect and I want to be just like them. I want to better myself.

WM What do you currently do and what do you want to do when you grow up?

SQ I just completed my high school and I am learning business in a practical way. I would like to be Master of the lodge one day, show myself as a good role model and be a productive part of society by being a law enforcement personal.

WM What is the best advice you have ever received?

SQ "In God we trust"

Greetings Brethren from the Station of Strength

Another month has gone by so fast. We had the pleasure to witness 3 excellent proficiencies returned last month and I'm happy to see so many young guys joining the lodge. I'm also eager to see how they can help as they are already asking how to get in the line to become officers. The future of the lodge is looking bright. This month we had Worshipful Phil Collins in attendance and it was great to see you Phil. I encourage all Past Masters and members that have not been in lodge to reunite with us again.

Hugo Ramos, Sr. Warden

We recently had the Grand Master's reception which was hosted by OCMOA here at Anaheim and had the honor and pleasure to escort the first lady to the head table. Brandon has done an excellent job representing Anaheim and I personally thank you. I also want to thank all the members of our Lodge for all the help and support for making this happen.

Congratulations to our Brother Matt Lucas and his family for their beautiful baby Merlin.

We are having a BBQ and Blood Drive on August 22nd and we need blood donors. If you can spare a pint let us know as we will need 60 names and phone numbers so that we can meet our quota and reserve your appointment. Finally, if you know of someone that is in distress, please let me know so that we can call them or send them our prayers.

Hugo Ramos, Senior Warden

Greetings Brethren from the Station of Beauty

Rob Morris, Jr. Warden

"Time Marches On"
We are entering the second quarter of this Masonic year. We have been busy with our "Work of Making Masons", and having a great time. As we enter the Easter month, I guess that we will have some form of Ham dish at the Stated Meeting. We can't stop thinking about food for our Brethren. Keeping you well fed and sassy is fun but also a lot of work.

My Brothers, we serve in several ways, outside of the Lodge and inside as well. This call is to all of the EA's and FC's as well as any Masters within hailing distance. We need help in the kitchen, not only in serving our brothers, but also in cleaning up afterwards. Like I have said on several occasions, remember my brothers, "Real Men Wear Aprons." See you at the Stated as well as the special degree nights. Until then, I remain,

Fraternally yours,
Robb Morris
Junior Warden
